

VAMPIRE WHEEL CLEANER

TECHNICAL DATA SHEET

WHEEL RIM CLEANSE

REFERENCE: #27002

Sizes:

16 oz

1 Gallon

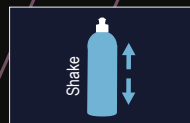

DESCRIPTION:

VAMPIRE WHEEL CLEANER is a highly effective iron removing, acid-free, gentle pH formulated cleaner. Very safe for all types of wheels: steel, alloy, chrome, painted, powder coated, uncoated and anodized aluminium. Turns VAMPIRE red while cleaning. Gently loosens and removes stubborn street contaminants, brake dust, oil, grease, rubber residue and other road impurities. Enjoy your sparkling, squeaky clean rims again; like new!

DIRECTIONS OF USE:

Ready to use. Apply to cool rims evenly via the spray. Let stand 3 minutes (do not allow it to dry) to allow the iron removing chemistry to work. For super baked on stubborn use a small brush or wash mitt to agitate to help loosen. Liquid will turn bright red as it dissolves the brake dust grime. Thoroughly with high pressure.

Shake

1. Shake well before use.

Spray

2. Spray on surface.

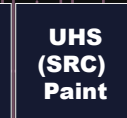

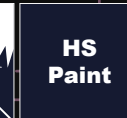

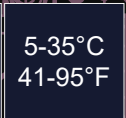

3. Use correct applicator to wipe off or to buff.

TECHNICAL DATA:

- Flash Point: Not Determined (Closed cup)
- Appearance: Colorless to pale pink
- Physical State: Liquid
- Odor: Characteristic- slightly sulphurous
- Density: Not Determined

HEALTH & SAFETY

Can cause eye irritation. Excessive inhalation may cause respiratory irritation. Ingestion can cause gastrointestinal irritation. Prolonged skin contact may cause slight irritation.
